Sr. Pastor,

I hope this message finds you well. I wanted to inform you about a significant event at the University of Preparatory Sciences and the Christian High School of Indonesia. The school will be hosting an immersion study trip to the United States, specifically to the University of Denver, from June 23rd to June 28th.

The purpose of this trip is to provide our students with an opportunity to learn about American culture, education systems, and the challenges faced by Christian institutions in the U.S. The trip will include visits to universities, museums, and cultural centers. We believe this experience will be invaluable for our students and will help them prepare for their future careers.

Please provide your input on the following points:

1. What are the key educational institutions we should visit in Denver?
2. Can you suggest any cultural activities or events that are typically held in Denver during this time of year?
3. Are there any specific questions or topics our students should be prepared to discuss with the faculty at the University of Denver?

We believe this trip will be a great opportunity for our students, and we would appreciate your insights and recommendations.

Thank you for your attention.

Yours truly,

[Your Name]
