

Advising Notes – **Environmental Engineering (ENE)**

Note: If you have an advisee that is an ENE, and you are not an ENE faculty member, please have the student see the COA office, MN203.

1. **CE 481 is offered Spring only.**
2. **CE 382 requisites are: Prerequisite C- or better in CE 214; Corequisite MA 341 or MA 305 or ST 370.**
3. We have been informed that all ENE students may not be able to enroll in MAE 323 due to space limitations. Therefore, to accommodate, we will allow the following course:
 - a. **SSC 442** – Soil & Environ. Biogeochemistry (contact gwana_arcuri@ncsu to be added)
4. The following ENE-relevant courses are offered only once a year:

Spring courses: CE 477 CE 479 CE 339 CE 481

Fall courses: CE 378 CE 476 CE 478 CE 484 CE 488
